TASKI IntelliPods are an innovative solution delivering effective results while minimizing waste and environmental impact. The perfectly portioned pods are designed for ultimate convenience and consistent performance. TASKI IntelliPods Heavy Duty Floor Cleaner is a powerful, concentrated cleaning formula, specifically designed for use in floor care machines and is available in 8g or 22.5g sizes to meet different machine requirements.

Simple.

Effortless cleaning in **three steps: drop, fill, and clean**. TASKI IntelliPods are pre-portioned for easy training, with no measuring, mess, or direct chemical contact. Compact and **convenient**, they simplify storage, transport, and handling.

Smart.

TASKI IntelliPods **minimize waste, control costs, and boost productivity** with their intuitive design, eliminating overuse and simplifying use compared to traditional chemicals. Their sealed design **prevents spills and chemical exposure**, offering a safer, more efficient alternative to large containers.

Sustainable.

Less cost, space, and waste: TASKI IntelliPods' compact design **reduces plastic use and logistics costs**. Made with 100% biodegradable, phosphate-free materials, they **support sustainable cleaning** and lower your carbon footprint.
