

**Twister**  
Floors shine like diamonds

**Discover the 3 steps  
to make your floors  
shine like diamonds**

## What is Twister?

Twister is the **definitive floor care system**. It transformed professional cleaning when it launched in **1989 as the first diamond-embedded pad** on the market.

With **billions of microscopic diamonds** in each pad, Twister delivers unparalleled cleaning and polishing power simultaneously, ensuring **deeper cleaning, a longer-lasting shine, and superior surface protection**.

Our comprehensive **range of diamond pads**, from **aggressive grit for restoration to ultra-fine polish for high-gloss maintenance**, is the gold standard in floor care. With Twister, you can **elevate your floors to an exceptional diamond standard**, no matter the task.

## Your benefits with Twister

### Excellent Cleaning Performance

Unique synergy with TASKI machines and TASKI chemicals

Enhanced cleaning efficiency (spotless, clean, smooth floors)

### Safety

Smooth floor finishes leave no open surface for dirt to adhere, improving hygiene and safety

Reduced slip risk

### Brand & Asset Protection

High quality floor appearance in metered gloss, clarity & scratch repair

Reduced need & cost for periodic maintenance & floor restoration

### Operational Efficiency

Greater longevity of diamond pads over polyester ones

Versatile 2-in-1 IntelliPad reduces cost and time

Simple, color-coded system improves training and standardization

### Sustainability

Made from 100% recycled PET bottles

Less packaging vs. Conventional pads

Energy efficiency, reduced water consumption with TASKI machine
